PROFESSIONAL EXPERIENCE

Comic Writer, Illustrator & Editor
Antsy Artist LLC

March 2024 - Present

Writer & Illustrator, *Strange Matter*

Middle Grade graphic novel, pitch under query.

When Liz, a human girl, is whisked away to the Silverring Galaxy—a world full of aliens, sci-fi tech, and magic—she discovers that she is connected to a mysterious entity known as strange matter.

Writer & Illustrator, *Bea & Pod*

Young Reader graphic novel, pitch under query.

Two fairy siblings teach kids about backyard ecology. Pod's inquisitive nature and his older sister Bea's research skills encourage kids to explore nature, ask questions, and draw their own conclusions about the world around them.

Writer & Illustrator, *Gali-LEO*

Young Reader graphic novel, pitch under query.

A kid named Leo travels across the solar system as he helps personifications of the planets discover what makes them special.

Editor, *Middle Part (2025)* by Marin Smith

Edited web comic script, provided feedback on thumbnails and pencils.

Contributing Writer & Illustrator

January 2023- March 2023

Level Ground Comics

Selected to illustrate and author an original comic short "Just a Suggestion" in the *Dream Weaver* anthology.

Visual Development Artist

July 2021- September 2021

Short Film: *Left Behind*

Worked as part of the visual development team on student-directed short film creating character turn-around models, expression sheets, and pose references for animators.

Visual Development Artist

March 2020-May 2020

Short Film: *Car Lives*

Worked as a crew member on senior film *Car Lives*. Developed and finalized crowd scenes based on thumbnails, weekly submissions via Shotgun.
